

SENTINEL RACK (SER)

SER 1500 | SER 3000 ER

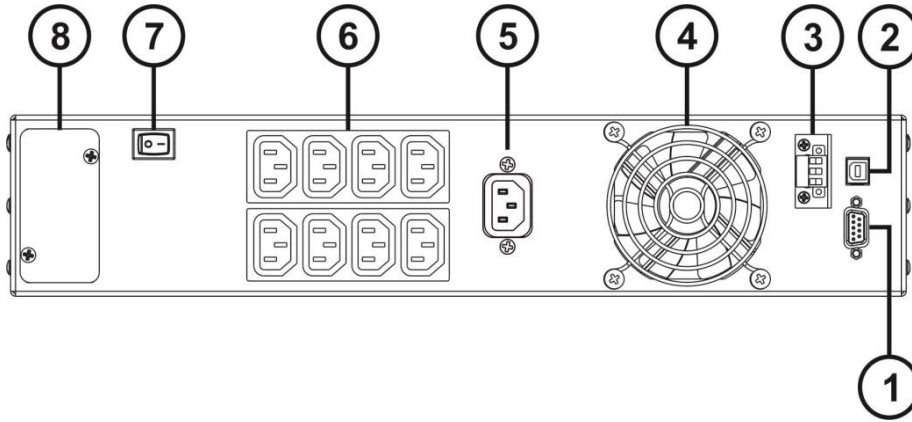

Riello UPS expands its Sentinel Pro range of UPS, adding two new rack-mount models. Sentinel Rack SER 1500 and SER 3000 ER.

Sentinel Rack is an on-line double-conversion UPS offering the highest levels of reliability and protection for critical servers, voice and data processing IT systems.

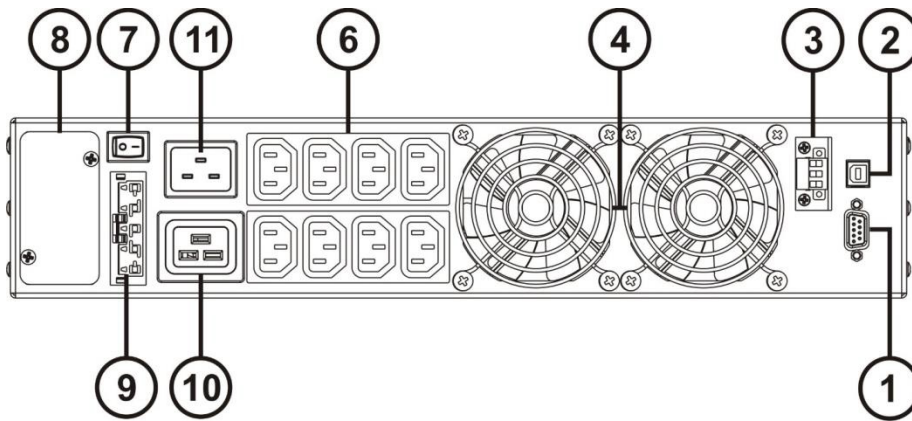

Perfectly placed for long runtime applications, Sentinel Rack 3000 ER is fitted with a 6A battery charger.

The SER range sits at just 450mm deep, and is the ideal product for upgrading power in legacy 600mm deep racks.
